Re: Sewer Use Permit # 27220135

Dear Ms. Dees,

Thank you for resending the application form end of last December. I apologize that this is late; I was waiting for the report for the water sample so that I could complete that part of the application.

I understand now that I can submit the application without that section being completed and sent at a later date.

I have completed all sections to the best of my knowledge, except those questions pertaining to sample analysis. QC Laboratories currently have the sample and it is undergoing analysis. I will send you the report when I have received it and complete those questions in the application.

Enclosed is the application fee of \$750.00.

Please let me know of any problems or if you need any further information.

Sincerely,

Mohamed Kamel
